Re: Final Ecology Approval of City of Bonney Lake Shoreline Master Program Limited Amendment

Dear Mayor Johnson:

The Department of Ecology (Ecology) is pleased to announce final approval of the city of Bonney Lake's (City) Shoreline Master Program (SMP) limited amendment. Ecology finds the City's proposed SMP amendment is consistent with the policy and procedural requirements of the Shoreline Management Act of 1971 and the SMP Guidelines.

Ecology, therefore, approves the City's amendment SMP update as submitted. The enclosed Attachment A, Findings and Conclusions document provides more information about our decision. This is Ecology's final action and there will be no further modifications to the proposal.

The SMP is effective 14 days from the date of this letter. This 14-day period was established by legislative action in 2011 and is intended to provide lead time for the City to prepare to implement the new SMP.

Ecology is required to publish a newspaper notice that the City's SMP has received final approval. The publication of this notice, in the form of a legal ad, will begin a 60-day appeal period. We will provide a copy of the legal ad to the City for its records.
