

**AN ORDINANCE REVISING THE SHORELINE MASTER PROGRAM  
OF GARFIELD COUNTY, WASHINGTON**

WHEREAS, the Washington State Department of Ecology has requested that Garfield County update its regulations of the Shoreline Master Program in and for Garfield County, and;

WHEREAS, the County Commissioners did consider the following Findings of Fact, and;

WHEREAS, after entering these Findings, having fully considered all public testimony and the entire public record, as well as the requirements of the Shoreline Management Act (SMA), and;

WHEREAS, the proposed revisions and content of the Shoreline Master Program are necessary to protect the health, safety and general welfare of the community and its residents, and;

WHEREAS, Garfield County did allow for and encourage public participation in the review and update process of the Shoreline Master Program, and;

WHEREAS, the proposed Shoreline Master Program has been found consistent with existing development regulations and State and federal laws, and;

WHEREAS, the proposed Shoreline Master Program does not produce a significant adverse environmental impact, and;

WHEREAS, the Garfield County Planning Commission has duly advertised for and conducted a public hearing on the proposed Shoreline Master Program, and;

WHEREAS, the Garfield County Planning Commission has reviewed the proposed Shoreline Master Program and recommended adoption of said document;

**NOW, THEREFORE, the Board of Commissioners of GARFIELD COUNTY does hereby ORDAIN to adopt by reference the Garfield County Shoreline Master Program.**

This ordinance shall be in full force and effect as so provided in the Garfield County Code.

ADOPTED this eighth day of August, 2016.
