RE: CITY OF SEDRO-WOOLLEY SHORELINE MASTER PROGRAM UPDATE

Dear Ms. Bellon,

The Sedro-Woolley City Council adopted Ordinance No 1847-16 adopting an updated Shoreline Management Program, including the Department of Ecology's required and recommended changes in Attachments B and C of your letter dated March 12, 2015. The approved ordinance is attached. As I understand the SMA rules and guidelines, the adopted Sedro-Woolley SMP will go into effect 14 days after receipt of Ecology's final letter approving the SMP. I look forward to receiving said letter from the Department of Ecology so the new SMP may go into effect.

I would also like to express our appreciation for the assistance that Bob Fritzen at the Bellingham Field Office has provided to the City throughout the SMP update process. I will send two hard copies and one electronic copy of the SMP to Mr. Fritzen.

If you have any questions, please do not hesitate to call me at 855-0771 or e-mail at jcoleman@ci.sedro-woolley.wa.us.

Sincerely,

John Coleman, AICP
Planning Director
