Re: City of Woodland Shoreline Master Program Adoption

Dear Ms. Bellon:

The City of Woodland received Department of Ecology's conditional approval letter for our proposed Shoreline Master Program. After discussion with staff and City Council, the City is accepting all required and recommended changes and has incorporated these into the new SMP. City Council passed final reading of Ordinance 1364, adopting the new SMP, on August 1, 2016. The signed ordinance is enclosed and a summary of publication will be printed in the City's newspaper of record, The Reflector, on August 10, 2016. The updated SMP with all changes incorporated and effective date language will be delivered shortly.

Thank you for all your assistance through this process. Please contact me with any questions at (360) 225-8281 or Amanda Smeller, Community Development Planner, at (360) 225-1048.

Sincerely,

*William A. Finn*
