Re: City of Kenmore Comprehensive Shoreline Master Program Update
Ordinance Number 10-312 and 10-313

Dear Mayor Baker:

I would like to take this opportunity to commend the city of Kenmore (City) for its efforts in developing the proposed comprehensive Shoreline Master Program (SMP) Update.

As we have already discussed with your staff, the Washington State Department of Ecology (Ecology) approves this comprehensive SMP update, subject to required changes detailed in Attachment B. Recommended changes are proposed in Attachment C. The findings and conclusions that support Ecology's decision are enclosed as Attachment A. Also enclosed is a Responsiveness Summary for Public Comments as Attachment D.

Because required changes are involved in this proposed SMP, the amendment will not become effective until Ecology receives written notice that the City agrees to the changes. Receipt of the City’s written agreement to the required changes will constitute final action by Ecology approving the Kenmore SMP comprehensive update.

If you do not agree to the changes listed in Attachment B, then pursuant to WAC 173-26-120(7)(b)(ii), you may propose to Ecology alternative amendments consistent with the scope of the original submittal, SMA policy, and the applicable guidelines. At that point, Ecology will need to review and approve the alternative amendment(s) before they become effective.

To summarize, please advise us whether the required and recommended changes are acceptable. If the City agrees with the changes, it must notify Ecology in writing by sending the notice to the Director's Office at the following address:
