Re: City of Medina Shoreline Master Program Update

Dear Ms. Bellon,

Pursuant to WAC 173-26-120(7)(b)(ii), please find enclosed the City of Medina’s submission of an alternative proposal with supporting rationale demonstrating that the City’s alternative is consistent with the purpose and intent of the changes originally proposed by Ecology on May 16, 2013. The City’s submission consists of the following documents:

1. **Exhibit A**: This document itemizes each of the required changes set forth in Attachment B of Ecology’s May 16, 2013, Conditional Approval and identifies the City’s acceptance or proposed alternative and rationale for each required change. Additionally, the document contains the City’s acceptance and proposed alternative and rationale for the recommended changes set forth in Attachment C of Ecology’s May 16, 2013, Conditional Approval. Finally, the document contains a list of non-substantive changes and rationale to the original proposed Shoreline Master Program not previously identified in Ecology’s conditional approval.

2. **Exhibit B**: This document is “Attachment A” of City of Medina Ordinance No. 886 submitted as the City’s original updated shoreline master program proposal. This document incorporates the changes in Exhibit A relating to the development regulations and contains additional housekeeping edits. All changes are shown in underline/strikethrough format.

3. **Exhibit C**: This document is "Attachment B" of City of Medina Ordinance No. 886 submitted as Medina’s original shoreline master program proposal. This document incorporates the proposed changes in Exhibit A relating to the Medina Comprehensive Plan. All changes are shown in underline/strikethrough format.

4. **Exhibit D**: This document is the updated Cumulative Impact Analysis incorporating revisions to the analysis based on the proposed alternative in Exhibit A.

We look forward to your response in regards to the City of Medina’s proposed alternative and hope to conclude this process.

Sincerely,

Michael Luis
Mayor, City of Medina
