APPENDIX B

Inventory and Analysis Map Folio
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

**MAP LEGEND**
- Delineated Wetland Boundary
- Shoreline Jurisdiction
- NWI Wetlands
- Town Boundary
- Aquatic Bed Wetlands

* Wetland identified in Shannon & Wilson Inc., 2002
** A wetland is mapped in error by NWI and is corrected to reflect current conditions.
*** Aquatic bed wetlands that are not contiguous with wetlands landward of the OHWM do not require a buffer.

Data: King County, FWS NWI, TWC, July, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: King County, TWC, NW GEO Graphics.
February, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: King County, TWC, Town of Yarrow Point. June, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: King County, TWC. February, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

**MAP LEGEND**
- Water Quality Listed Areas
- Proposed Shoreline Jurisdiction
- Town Boundary

Data: King County, WA DOE, TWC. February, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Map Legend:
- Coast Resident Cutthroat
- Bald Eagle Nest
- Bald Eagle Buffer*
- Great Blue Heron
- Priority Wetland**
- Aquatic Bed Component of Priority Wetland***

* Buffers of bald eagle nests, communal roosts, and shorelines that fall within a half-mile of nests.
** Feature is either no longer present and/or may be mapped erroneously by WDFW.
***Aquatic bed wetlands that are not contiguous with wetlands landward of the OHWM do not require a buffer.

Data: King County, WDFW, TWC. July, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

MAP LEGEND
- Overwater Structures
- Town Boundary
- Proposed Shoreline Jurisdiction

ARMORING TYPES
- Boulder
- Concrete
- Semi-Natural
- Natural

Data: King County, DNR, TWC.
October 22, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: King County, NOAA CCAP, TWC, February, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

MAP LEGEND
- NWI Wetlands*
- Aquatic Bed Wetlands**
- Other Wetlands
- Proposed Shoreline Jurisdiction
- Town Boundary

* A wetland is mapped in error by NWI and is corrected to reflect current conditions.
** Aquatic bed wetlands that are not contiguous with wetlands landward of the OHWM do not require a buffer.
All elements on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: King County, USGS, NW Geo Graphics, TWC, February, 2010.

* This impervious surface data is provided by NW Geo Graphics as an approximate only.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

Data: TWC, King County GIS. June, 2010.
All elements depicted on this map are approximate. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.
