
SHORELINE MANAGEMENT PROGRAM (SMP) DATA INFORMATION

The shoreline environment designations are adopted pursuant to SCC 30.67.210 as defined in Section 2.2 of the Shoreline Management Program. Section 2.2 of the Shoreline Management Program contains the designation criteria and management policies for each shoreline environment designation. This map is for informational or resource only. In case of a conflict between the designation criteria adopted pursuant to SCC 30.67.210 and the content of the maps, the designation criteria will overrule. Map inaccuracies such as unintentional omissions or inaccurate environment designation are interpreted pursuant to SCC 30.67.220(1). Unmapped shoreline jurisdiction within the boundaries of federal lands is designated pursuant to SCC 30.67.220(2).

SMP Map Disclaimer: This map is meant for illustrative purposes only. Data collection is an on-going process and the information shown should not be considered complete. This map is not intended for regulatory purposes as scale, accuracy and completeness are not adequate to determine regulatory implications at a site-specific level. Presence of environmental features and critical areas, as defined in the Growth Management Act, must be verified at the site specific level. This map is intended to provide a generalized overview of the extent and distribution of key environmental features and critical areas throughout the county. This map represents the best available data at the time of publication.

DATA and MAP DISCLAIMER

All maps, data, and information set forth herein ("Data"), are for illustrative purposes only and are not to be considered an official citation to, or representation of, the Snohomish County Code. Amendments and updates to the Data, together with other applicable County Code provisions, may apply which are not depicted herein. Snohomish County makes no representation or warranty concerning the content, accuracy, currency, completeness or quality of the Data contained herein and expressly disclaims any warranty of merchantability or fitness for any particular purpose. All persons accessing or otherwise using this Data assume all responsibility for use thereof and agree to hold Snohomish County harmless from and against any damages, loss, claim or liability arising out of any error, defect or omission contained within said Data. Washington State Law, Ch. 42.56 RCW, prohibits state and local agencies from providing access to lists of individuals intended for use for commercial purposes and, thus, no commercial use may be made of any Data comprising lists of individuals contained herein.
