Re: Agreement of required changes to the Yakima County Regional Shoreline Master Program applicable to the City of Zillah

Dear Mr. Sturdevant,

The Zillah City Council reviewed the changes to the Yakima County Regional Shoreline Master Program as outlined in Draft Attachment B of your letter of December 18, 2009 to Mayor Gary Clark. The city agreed to the required changes. The city of Zillah has also attached a revised map of the jurisdictional shoreline areas for Washington Department of Ecology review. The city has spoken with Yakima County Public Services and they will receive a copy of the map as well.

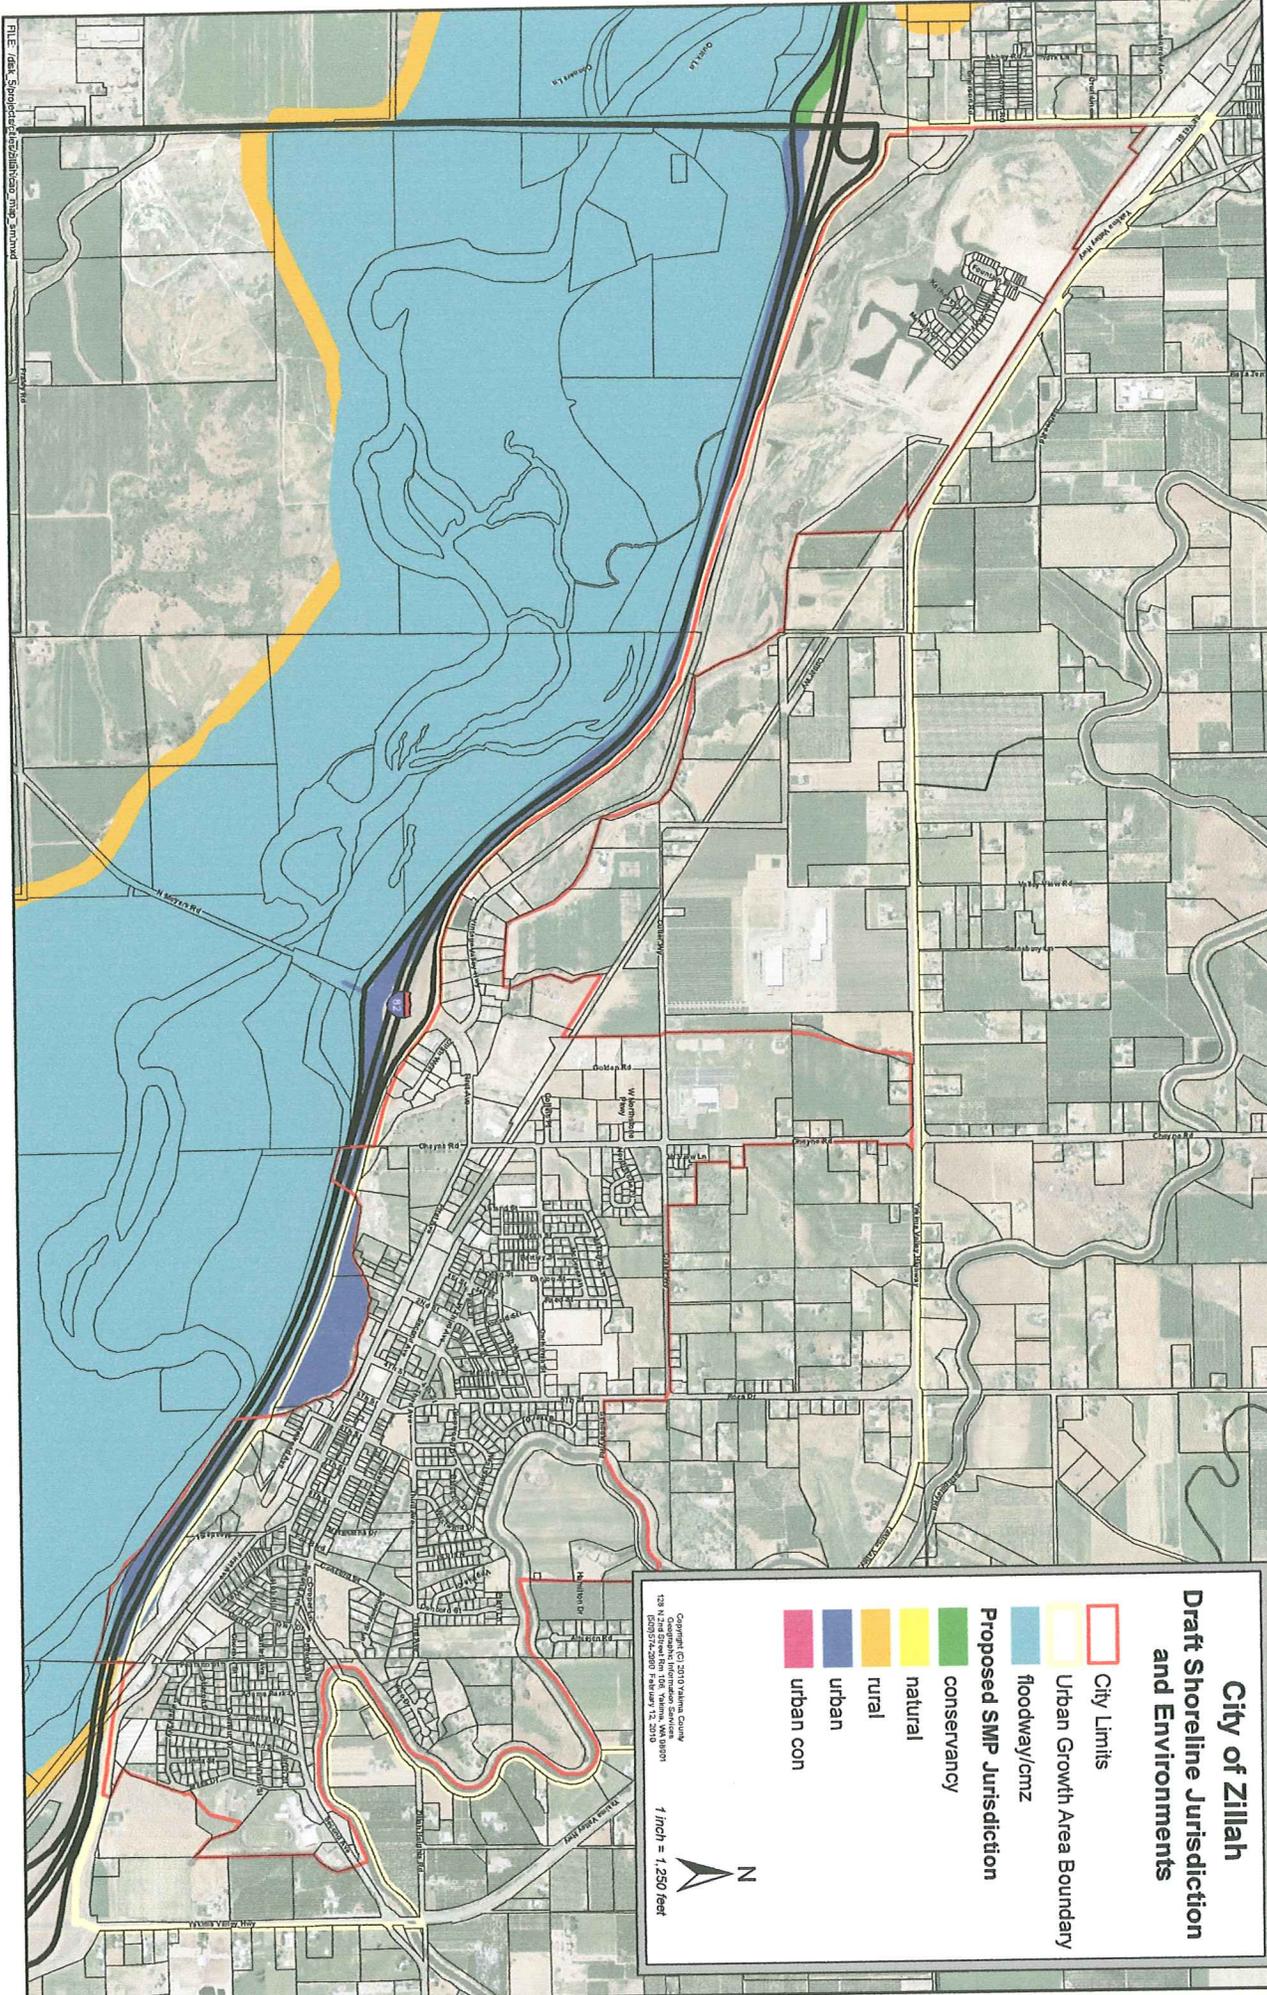

As requested, we will await a response from Ecology before taking further action in regards to this matter. If you have any questions or concerns, please feel free to contact me at the number listed below.

Sincerely,

Ardele Steele, MURP
Associate Planner
