**Re: Approval of comprehensive amendments to the Yakima County Regional SMP applicable to the City of Mabton**

Dear Mayor Reyna:

WAC 173-26-120(7)(b)(i) requires the Department of Ecology (Ecology) to notify the local government and all interested parties of the effective date of a shoreline master program amendment approval. As you know, Ecology approved the Yakima County Regional Shoreline Master Program comprehensive update for the City of Mabton with specific required changes on December 18, 2009. The City of Mabton (City) agreed to those changes in a letter received by Ecology on February 19, 2010. Per WAC 173-26-120(7)(b)(i) the effective date of the City of Mabton's Shoreline Master Program is February 19, 2010.

Congratulations and thank you again for your efforts. If you have any questions, please contact our regional planner Doug Pineo at [dpin461@ecy.wa.gov](mailto:dpin461@ecy.wa.gov) / (509) 329-3416.
