

# References

The following is a list of references for Chapters 1 and 3-12 of Volume 2. The legal citations in Chapter 2 are included as footnotes to the chapter and are not repeated here. Citations listed as personal communications in the text are not listed here since the citation contains the information. Most of the references cited in the appendices are contained within the text or are included at the end of the appendix in which they are cited. If the information cited was from a web site, the web address is provided in the text and may not be repeated in this reference list. Not all references listed have been cited in the text.
