

2011 Final Tier Assignment, Alphabetic by Manufacturer

Below is the 2011 Final Tier Assignment Schedule for Washington's Electronic Product Recycling Program. The purpose of the 2011 Tier Assignment is to determine manufacturer fees owed to the Department of Ecology. These fees are used to cover Ecology's administrative costs for implementing the *E-Cycle Washington* program. The manufacturers listed are those Ecology has identified as the brand owners of electronic products covered by this program (computers, monitors, laptops and televisions).

Is Your Registration Up to Date?

- Manufacturers who own additional brands of covered electronic products not currently registered **must** add those brands to their registration.
- Brand owners of covered electronic products that are not on this list **must** register as a new participant.
- [*Brand association list*](#)
