- propane tanks

"Hidden dangers could be lurking in your home."

*True Value*

For more information, and to find a calendar of traveling Wastemobile locations, visit [www.hazwastehelp.org](http://www.hazwastehelp.org) or call the Household Hazards Line 888-TOXIC-ED.

TTY Relay: 711; Monday - Friday: 9:00 a.m. - 4:30 p.m., except holidays

as part of the Local Hazardous Waste Management Program in King County

Almost everyone has unwanted household hazardous products inside a cabinet, under the sink, or in the garage.

Dispose of them safely and **FOR FREE** at the Wastemobile!

Wastemobile service is available at the **Auburn Supermall:**

Northwest Corner of the mall off SuperMall Way (next to Sport Authority),  
1101 SuperMall Way, Auburn 98001,  
Saturday and Sunday 10:00 a.m. - 5:00 p.m.

**CAUTION**

**WARNING**

**DANGER**

Look for Caution, Warning, Danger or Poison on the product label to identify hazardous products, like pesticides, oil-based paint, batteries or solvents. These products can be harmful to humans, wildlife and the environment if not disposed of safely.

"Hidden dangers could be lurking in your home."
