

How do I subscribe to the MTCA SMS Rule Update email list?

There are two ways to subscribe to the MTCA-SMS-RULE-UPDATE mailing list. You can send an email command to the server or use the web interface.

1. Send an email command.

- Start a new email message.
- Copy this line - *subscribe MTCA-SMS-RULE-UPDATE* – and paste it into the body of the message (not the subject line).
- Send the email to listserv@listserv.wa.gov.
- Wait for further instructions to confirm your subscription.

2. Use the web interface.

- Browse to www.ecy.wa.gov/maillist.html#rules.
- Click on *MTCA Cleanup Regulation and Sediment Management Standards*.
- Click on *Join or Leave MTCA-SMS-RULE-UPDATE*.

I subscribed but am not getting any email messages?

Announcements to this list go out about once a month. If you have successfully subscribed to the list and are still not getting the announcements, it's likely your email system is filtering out the message because it thinks it is junk. You may need to change the level of protection in your email settings so that messages get through. Or, you can specify that LISTSERV.WA.GOV is recognized as a Safe Sender.
