**Subject:** I support increased fish consumption rate numbers  
**Date:** Tuesday, December 13, 2011 9:32:27 PM

---

Dear Director Sturdevant and staff,

Washington currently uses inadequate fish consumption rates for water and sediment cleanup standards. The standards should be conservative enough to protect the higher fish consumers such as tribes, subsistence fishers and my family.

Please increase the rates to more accurate numbers.

Thank you.
