

Remedial Action Grants and Loans Chapters 173-322 and 173-322A WAC

Public Hearing on Rule Proposal

May 29, 2014 @ 10 a.m.

Webinar Instructions

Ecology is offering the public hearing both in person and through a webinar. A webinar is online meeting forum that you can join from any computer using Internet access. To participate and provide comments through the webinar, you also need to have a phone or a computer with phone modem capability. [Click here for WebEx system requirements.](#)

To join the webinar:

1. Go to
<https://wadismetings.webex.com/wadismetings/j.php?MTID=m81683b8f28878f7ab16cac28cc5a3534>.
2. Enter your name and email address.
3. If a password is required, enter the meeting password: abcd1234
4. Click "Join".

You will then be prompted to join the audio portion of the conference. You have two options:

1. Use Phone.

If you select this option, you have two further options:

- You can choose "I will call in" and WebEx will provide you with the call-in information; or
- You can choose "Call me at a new number," enter the number you'd like to be called at, and WebEx will call you.

2. Use Computer for Audio.

If you select this option, and you want to provide comments or ask questions verbally, you will need to have some type of microphone.

To ask a question or submit a comment verbally through the webinar:

Use the "raise hand" feature. The button is at the bottom of the participants list. When you click the Raise Hand button, we will be notified. If you use this option, please remember to Lower Hand once your question has been answered. To minimize background noise, all attendees will be muted throughout the public hearing until recognized.

When a participant uses the "raise hand" feature Ecology is notified and the person is put into a queue. When it's your turn, Ecology will take you off mute so you can speak.

To ask a question or submit a comment in writing through the webinar:

Send in the question or comment via the chat box to “Ecology Public Hearing” or “Everyone.”

1. During the question-and-answer portion of the meeting, questions sent through the chat box will be read to the presenter (or other appropriate person) for answering. We will also provide instructions during the Q&A portion about how to do this.
2. During the formal hearing portion of the meeting, when comments are submitted through the chat box they will be treated as a formal written comment. We will also provide instructions during the hearing about how to do this.

All of the comments we receive will become part of the official record. We will publish responses to comments in a document called a Concise Explanatory Statement (CES). The CES is required by the Administrative Procedure Act (RCW 34.05) and is available after the rule is adopted. You will find your name listed in the document with a reference to where Ecology’s response can be found in the document.
