

Determination of NONSIGNIFICANCE

Camp Bonneville Military Reservation Emergency Actions

May 28, 2009

Please find enclosed an environmental Determination of Non Significance (DNS) issued pursuant to the State Environmental Policy Act (SEPA) Rules (Chapter 197-11, Washington Administrative Code). The enclosed review comments reflect evaluation of the environmental checklist by the lead agency as required by WAC 197-11-330(1)(a)(i).

This is for an interim action to remove vegetation, surface and subsurface munitions and explosives of concern , munitions debris, and 15 "hard targets" (old vehicles and appliances) within the Central Impact Target Area (CITA).

Written comments may be submitted on this determination by June 29, 2009 after which the DNS will be reconsidered in light of the comments received.
