DEPARTMENT OF
ECOLOGY
State of Washington

SCAP Locations (October 2008)

The SCAP area boundaries are an approximation. Final boundaries will be determined jointly by the EPA and Ecology. Drainage basins leading to these areas will be defined in the future.

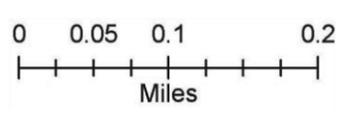

Legend

- RM 1.2 - 1.7 East Drainage Basin
- Upland Facilities of Concern

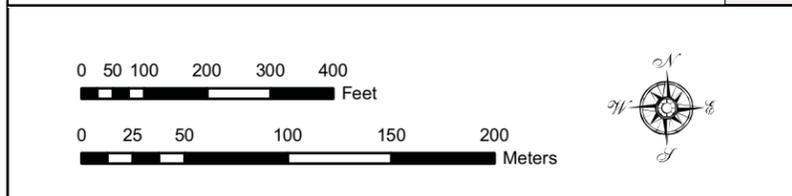

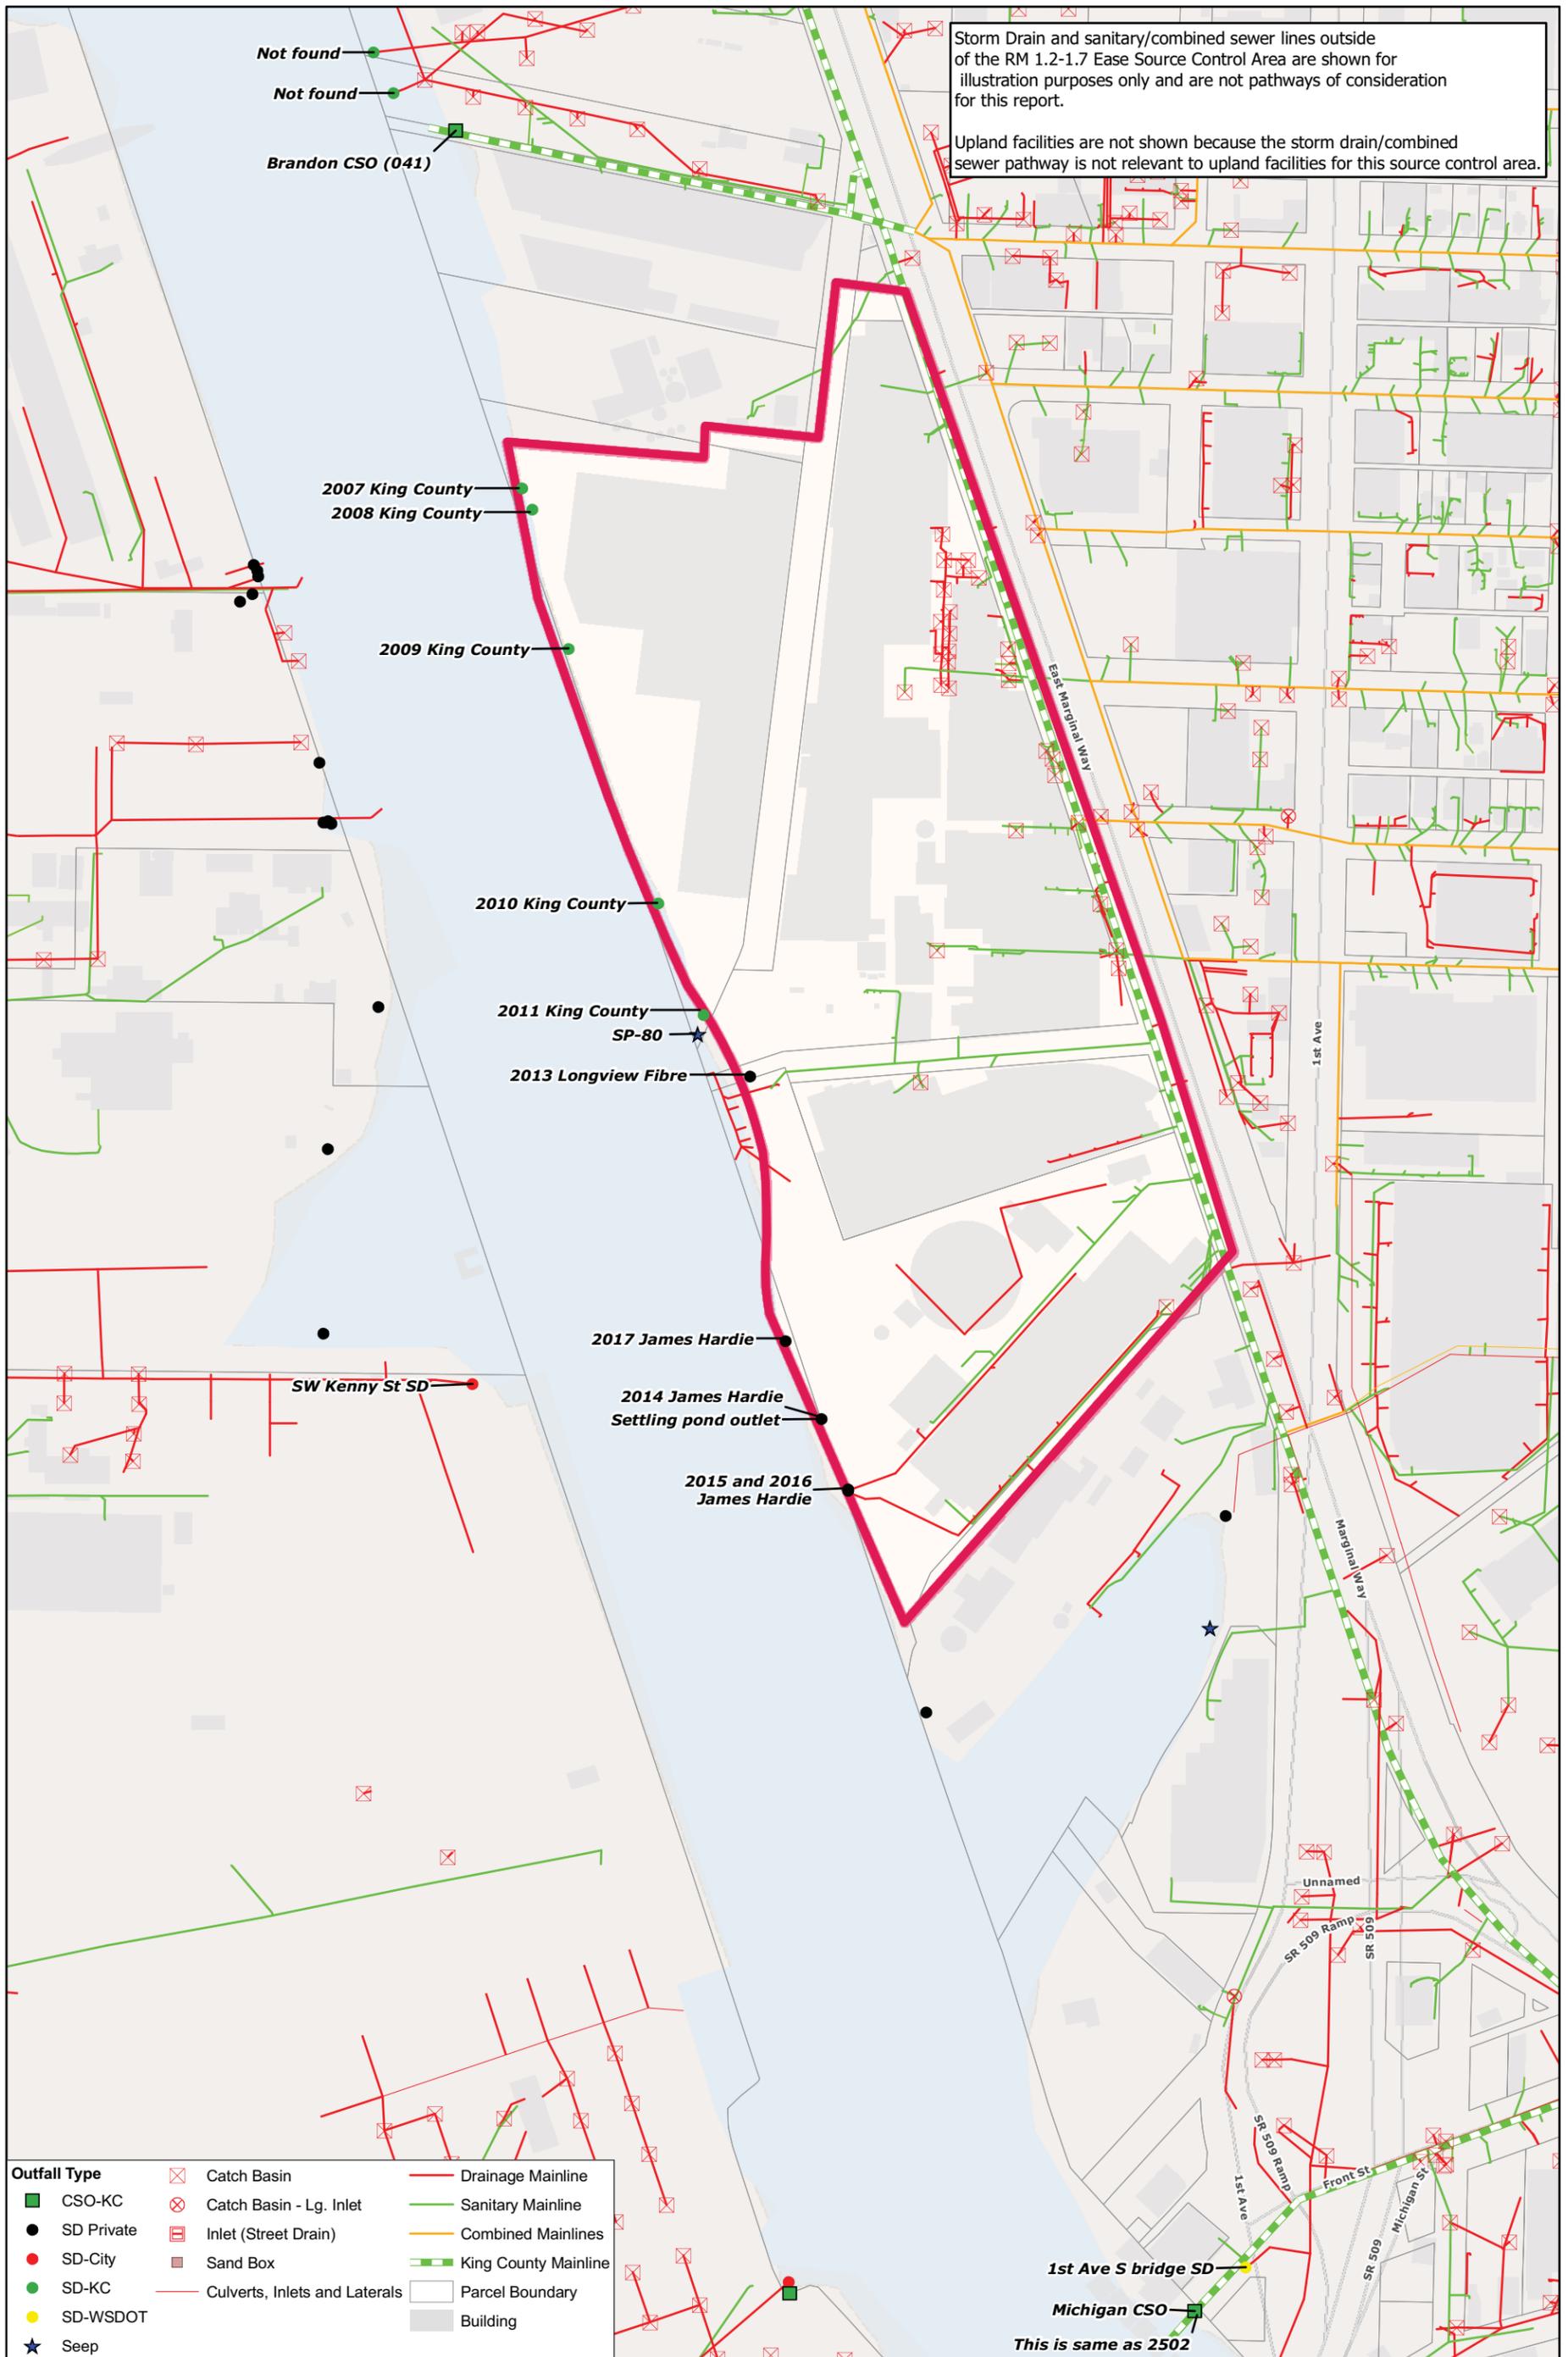

Note: Upland property locations are approximate. See site specific figures for exact locations.

LOWER DUWAMISH WATERWAY
RM 1.2-1.7 EAST
Tukwila, Washington
