

STORMWATER WORK GROUP

<http://www.ecy.wa.gov/programs/wq/psmonitoring/swworkgroup.html>

Tuesday, May 19, 2009 9:00 AM – 2:30 PM

Seattle-area location TBD

Proposed Agenda

03.19.09 version

THE WORKSHOP'S GOALS:

1. Inform participants about the Stormwater Work Group's plans and approach to develop a regional monitoring and assessment strategy to answer important questions about stormwater management practices.
2. Get input of key stakeholders and technically knowledgeable people early on in our process.
3. Identify opportunities to coordinate with and build upon the work that others are doing.

* * * * *
