

The Department of Ecology's Response to:
Lori Blau - Ponderay Newsprint Company (Comment 29)

Related to comment by Michelle Wingert of Kalispel Tribe. When reviewing stations per the Kalispel Tribe comments, it was discovered that Listing 47081, which is based on readings obtained at station POWW had been mislocated in the previous assessment. The location has been corrected. As a result, it was determined that station POWW is within tribal boundaries and the listing has been removed from Ecology's Assessment.
