

The Department of Ecology's Response to:  
Michelle Evans – City of Bellingham (Comment 41)

Listing ID 48241 has been inactivated. The three stations used for this listing were incorrectly identified and mapped. The listing information was split to three existing listings – 7111, 10512, and 35234 – based on reevaluation of the location data for stations WQAMFN-PORRM4.3, WQAMFN-GAURM5.5, and WQAMFN-DAMRM7.8 respectively. All listings remained at Category 1 pending reassessment of listings for compliance with recent changes in the salmon spawning criteria.
