PUBLIC NOTICE

Announcing the Phase II Eastern Washington Municipal Stormwater General Permits

Municipal Stormwater Permits

On August 1, 2012, the Washington State Department of Ecology (Ecology) issued two Phase II Eastern Washington National Pollutant Discharge Elimination System (NPDES) municipal stormwater general permits (permits). Ecology previously issued the current permit January 17, 2007. As required by RCW 90.48.260 Ecology is issuing two permits:

- The existing Eastern Washington Phase II permit without modification to be effective beginning September 1, 2012, and
- The updated Eastern Washington Phase II permit to become effective beginning August 1, 2014.

Purpose of the Permits

The permits apply to all regulated small municipal separate storm sewer systems. A municipal separate storm sewer system (MS4) is a conveyance or system of conveyances including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, man-made channels and/or storm drains which is:

1. Owned or operated by a city, town, county, district, association, or other public body created pursuant to state law having jurisdiction over disposal of sewage, industrial wastes, stormwater, or other wastes, including special districts under state law such as a sewer districts, flood control districts or drainage districts, or similar entity;
2. Designed or used for collecting or conveying stormwater;
3. Not a combined sewer system; and
4. Not part of a Publicly Owned Treatment Works (POTW) (see 40 CFR 122.2).

Copies of the Permits

The permits, response to comments, and fact sheet are available online at: www.ecy.wa.gov/programs/wq/stormwater/municipal/PermitsPermittees.html. You may request copies from Kim Adams at (360) 407-6401 or by email at Kimberly.Adams@ecy.wa.gov.

Public Notice Process and Comments

Ecology accepted written comments on the draft permits and fact sheet from **October 19, 2011 to February 3, 2012**. Ecology accepted oral comments at two public hearings preceded by workshops. These hearings were held in Ellensburg and Spokane Valley, Washington. Ecology held four additional public workshops without hearings across the state.

Your Right to Appeal the Permits

You have a right to appeal the new permits to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this notice. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal you must do the following within 30 days of the date of receipt of this issuance notice:

- File your appeal and a copy of this notice with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this notice on Ecology in paper form - by mail or in person. (See addresses below.) E-mail is not accepted.
