

cut along dotted line

I was looking for a phosphorus-free dishwashing detergent:

- I couldn't find any
- I was specifically looking for _____

Starting, July 1, 2008 in Whatcom County, it's illegal to sell dishwashing detergent containing 0.5 percent or more phosphorus. Single-use detergents may contain a maximum of 2.0 grams of phosphorus per packet.

Please help protect our lakes, rivers, and streams by providing this product.

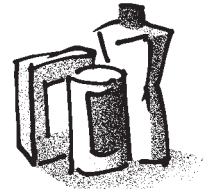

Note: This law does not apply to commercial and industrial uses.
