Good Morning Nathan,

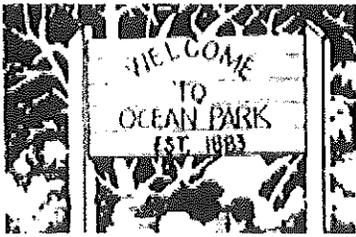

The Ocean Park Area Chamber of Commerce, 88 members strong, submits the attached letter supporting our shellfish industry in seeking appropriate solutions to the invasive species challenges they face.

It is my understanding that you are accepting written testimony, as part of the draft permit process, until February 15th. Our letter for the record, copy attached, was also mailed from the Ocean Park Office of the USPS this morning.

Thank you for providing this opportunity for input.

Respectfully,

Gary McGrew
President, OPACC
