RE: JAPANESE EELGRASS MANAGEMENT

THIS IS A REQUEST FOR YOUR HELP AND DETERMINATION IN
ISSUANCE OF AN NPDES PERMIT SO THE JAPANESE EELGRASS
IS REMOVED FROM WILLAPA BAY NOT JUST ON COMMERCIAL BEDS,
BUT ALL AREAS. THIS SHOULD NOT BE A TIMELESS PROCESS
LIKE THE SPARTINA PERMITTING.

PACIFIC COUNTY FAMILIES ARE DEPENDING ON THE SHELLFISH
INDUSTRY IN WILLAPA BAY ALONG WITH THE VALUABLE FOOD
THAT IS SHIPPED ACROSS THE NATION.

THANK YOU FOR YOUR CONSIDERATION AND WORK!
