Dear Mr. Jennings,

I am a resident of Benton County and was made aware of the NPDES permit and how the draft as currently written will not allow the control of nuisance mosquitoes. This would create a huge and in my opinion a dangerous (west nile) problem.

I urge you to rewrite the permit to read "The Permittee is authorized to discharge incidental amounts of **adulticides and their residues to waters of the state for nuisance and vector mosquito control**".

Thank You.
