Subject: MOSQUITO CONTROL PESTICIDES AND THE NPDES PERMIT
Date: Tuesday, March 09, 2010 4:20:17 PM

Jon,

Please change the permit to: "The Permittee is authorized to discharge incidental amounts of adulticides and their residues to waters of the state for nuisance and vector mosquito control." If this is not changed we will not be able to enjoy our evenings/mornings outside. Our home borders the irrigation canal in West Richland and it would be unbearable.

Please consider this as it is a very serious matter to the residents in this area. It will affect many parks in our area.

Thank you,

Patty Coyne
