Subject: mosquito control request
Date: Wednesday, March 24, 2010 10:49:00 AM

Please allow for mosquito adulticiding both proactive and nuisance fogging. Mosquitoes are a big problem in our area and we would not be able to use effectively our property without risk of bites if no measures were taken to kill adult mosquitoes. We call the mosquito control number at least twice a year for nuisance fogging and appreciate their proactive efforts of fogging to keep numbers down in the first place. Thank you.
