Subject: Mosquito Control
Date: Sunday, March 07, 2010 12:03:43 PM

We are writing to express our concern over new proposed rules that would prohibit the spraying of adult nuisance mosquitoes. We live in an area where mosquito control is absolutely necessary! Our mosquito control district (Benton County) has responded to our complaints of nuisance mosquitoes in the past. If they are not allowed to spray for adult mosquitoes, it will have a very negative impact on our outdoor activities.

Please revise the permit to read: "The Permittee is authorized to discharge incidental amounts of adulticides and their residues to waters of the state for nuisance and vector mosquito control."

We greatly appreciate your consideration!
