Subject: Mosquito Spraying comment
Date: Friday, March 12, 2010 11:56:31 AM

I have lived in Grant county all my life, I know how miserable it is when spraying was cut back or stopped. I know we are headed for a bad year because with the mild weather we are already seeing mosquitoes. We need to spray anything and everything available to us because no one want to be eaten alive and we sure don't want any of the diseases they spread.
