We here have been blessed with no mosquito problems for years and have bragged to many of our friends about the service. So we urge you to alter the .permit to read "The Permittee is authorized to discharge incidental amounts of adulticides and their residues to waters of the state for nuisance and vector mosquito control" Our Benton County Mosquito Control District is doing a great job. Thanks, Gladys and Bill Malley, 1306 Kimball Ave. Richland, Wa 99354. And our 5 children thank you, too.
