Health

- **Manages Environmental Health**
- **Manages Drinking Water**

Rule Development

Ecology

Reclaimed Water Use Rules

- Coordinate with Health

Health

Grey Water Use Rules

- Coordinate with Ecology

Technical Standards & Guidance

Ecology

- Update Required
- Part of Rule Development
(Reclaimed Water Rule)

Health

- Update Required
- Part of the Grey Water Rule Development

Permits

Ecology

- **NPDES**
- **Irrigation**
- **Multiple Use Permits**
- **Everything Else**

Health

- **Commercial and Industrial Uses - only**
- **Domestic On-Site Systems: < 0.1 MGD**

Water Rights

Ecology

Reclaimed Water Use

- Impairment Issues
- Mitigation

Health

Planning

Ecology

1. Feasibility Studies
2. Watershed Plans
3. Facility Plans Review

Health

1. Facility Plans Review
2. Water System Review Plans

Project Review

Ecology

- **Permit Process**
 - **New**
 - **New Referral Process**

Health

- **Permit Process**
 - **New**
 - **New Referral Process**

Project Submittals

Ecology

- **Plans and Specifications**
- **Impairment Analysis**
- **O&M Manuals**
- **Use Agreements**

Health

- **Plans and Specifications**
- **O&M Manuals**
- **Use Agreements**

Agency Staff Resources

Ecology

Water Quality Program

- 4.5(P) FTEs = Program Development
- 2 FTEs = Project Implementation
- Parts of 4 FTEs = Region

Water Resources

- 1.0 FTE Water Rights Issues
- Parts of 4 FTEs = Region

(P)=Project Position

Health

Environmental Health Division

Office of Shellfish and Water Protection

- 1 FTE= Program Development
- Parts of 5 FTEs=Region

Office of Drinking Water

- Parts of 5 FTEs=Region

2007 Reporting

Ecology

- Rule Advisory Committee
- Long-Term Funding SubTask Force
- Puget Sound Funding
- Removing Barriers SubTask Force

Health

- Program implementation status
 - Commercial and industrial uses
 - In water supply planning
 - Greywater use
 - Other elements

2007 Reporting

Ecology

- **Implementation status in:**
 - Watershed plans
 - Sewer plans
 - Other local plans.
- **Harmonize planning with other statutes**
- **Water Rights Impairment Issues**

Health

- **Public health risks**
- **Public acceptance**
