---

Good morning Cheryl,

Attached to this email are comments from Columbia River Inter-Tribal Fish Commission on Washington State's Human Health Criteria and Implementation Tools Rule Proposal.

If you have any questions or need additional information, please contact Dianne Barton, Water Quality Coordinator via email at [bard@critfc.org](mailto:bard@critfc.org) or by telephone at (503) 238-0667.

Thank you.

*LaRae Peters*

Executive Assistant to the Executive Director  
Columbia River Inter-Tribal Fish Commission
