---

Cheryl,

Attached are the Suquamish Tribe's comments on the State's draft rule for human health criteria and implementation tools in Washington State water quality standards. A copy has also been sent to Director Maia Bellon.

The Tribe also supports the comments submitted by the NWIFC and incorporates those comments by reference.

Please contact me if you have any questions regarding the comments or there is any problem with the attachment.

Sincerely,  
Denice Taylor
