Scoop it! It's your

I think
I need to

I know what to do!

Scoop it!

Bag it!

Trash it!

Pet waste washes away when it rains, sending **harmful bacteria** into our streams, rivers, and lakes. It can even reach our supply of **drinking water**.

Which leads to...

Polluted Lakes

&

Contaminated Water

Yuck!

So...

Scoop it! It's your **DOODIE**
