**RE: COMMENTS REGARDING 2012 DRAFT STORMWATER MANAGEMENT MANUAL
FOR WESTERN WASHINGTON**

Dear Department of Ecology:

Thank you for the opportunity to provide input regarding the 2012 Draft Stormwater Management Manual for Western Washington. D.R. Horton is the nation's largest home builder and we have a significant presence in the Pacific Northwest. D.R. Horton develops land and builds homes throughout Western Washington. We are submitting this letter to let Department of Ecology know that we share the concerns expressed in letter submitted on behalf of Master Builders Association of King and Snohomish Counties, dated February 3, 2012.

Sincerely,

Jennifer Reiner, P.E.
