3 2010, and this hearing is being held in Yakima,  
4 Washington, at the Ecology office, 15 West Yakima  
5 Avenue, Suite 200.

6 Notice of the hearing was electronically  
7 distributed to about 1200 interested people and

9 people. Many of you may have received that  
10 notice. Additionally, a press release was issued  
11 on October 10th, 2010.

12 If you do want to speak, please step up to  
13 the microphone, state your name and address for  
14 the record, and speak into the microphone.

15 And I will ask, is there anyone here who  
16 would like to testify today?

17 Okay, remember you can get your written  
18 comments in by December 17th, and you have -- the  
19 address is to Becca Conklin, Water Quality

6 November 15th and 16th respectively, along with  
7 all written comments received by December 17th or  
8 postmarked by December 17th, 2010, will be part  
9 of the official hearing record for this proposal.

12 hearings on Ecology's website. If you would like  
13 to be notified of the posting, please sign up for  
14 the listserv. There's a sign-up sheet on the
