### Notes:

- **Review March meeting notes:** *Make appropriate changes.*
- **Advisory group representation:** *Finish the discussion and make a decision about advisory group representation; including citizens-at-large.*
- **Background data:** *Presentation on data gathered for this cleanup plan effort. It will provide more information for the group to consider while discussing strategy options. This segment includes a question & answer period.*
- **Implementation strategy options:** *Continue the discussion about how and where to start working on the implementation strategy. During this time we can also identify key issues and technical expertise needed throughout the process.*
- **Open comment period:** *This is the time when meeting attendees (not on the advisory group) to ask questions, offer suggestions, or comment on items related to the work of this group.*
- **Next meeting:** *Suggest agenda items for the May 27 meeting.*

*[All times are approximates and placed here to keep us on task. If we finish one subject early we'll move onto the next one.]*
