Special notes:

- **Sand & Gravel General Permit** and the **Groundwater Permit Exemptions** Q&A Sessions: *This is your opportunity to ask questions about these issues. We will not address these again unless there is a direct correlation to the water cleanup plan.*
- **Implementation Monitoring in the Deschutes:** *What is happening and how does it relate to the TMDL process?*
- **Open comment period:** This is an opportunity for attendees to ask questions, offer suggestions, or comment on items related to the work of this group.
- **Next meeting date:** August 19. Same time & location.

[All times are approximates and here to keep us on track. If we finish one subject early, we'll move onto the next one.]
