### Special notes:

- **Watershed Characterizations in Thurston County:** *Hear about research conducted by Thurston County staff. Some information from this presentation will apply directly to the next agenda item.*
- **Possible EPA Grant Proposal:** *What is a Reverse Auction? Is this idea “out of the box” and “innovative” enough to receive EPA approval for funding?*
- **General Discussion:** *What information are we still missing regarding the middle watershed?*
- **Open comment period:** *Here is a routine opportunity for attendees to ask questions, offer suggestions, or comment on items related to the work of this group.*
- **Next meeting date:** *September 30. Same time & location. (Draft agenda item: Thurston County Septic Systems and Nitrate Impacts.)*

*[All times are approximates and here to keep us on track. If we finish one subject early, we’ll move onto the next one.]D*
