

Deschutes River, Capitol Lake, and Budd Inlet Multi-Parameter Water Cleanup Plan (TMDL) Advisory Group 2013 Tentative Meeting Dates

Ecology reserves the right to cancel or reschedule the meetings as needed. The main agenda item for the meetings is development of the Implementation Strategy for the Water Quality Improvement Report or the subsequent Water Quality Implementation Plan.

Most meetings are on the 4th Thursday of the month.
Scheduled time is 9:00 a.m. to 12:00 noon.
