

ENVVEST -- Community Advisory Committee Meeting

OCTOBER 16TH 2008, THURSDAY, 7:00-9:00 pm

Location: Norm Dicks Government Center,
WSU Class Room, Fourth Floor
345 6th Street, Bremerton WA

Agenda

Purpose of meeting: Convene the Community Advisory Committee and further the working relationship between interested community members and the organizations responsible for managing environmental activities related to ENVVEST; provide information and receive community input about content and processes for interaction.

Objectives:

1. Understand process & status of Fecal Coliform Bacteria Water Cleanup Plan.
2. Share status of ENVVEST technical support activities.
3. Consider Executive Communication & Oversight (ECO) Committee.
