RE:  Trust Water Donation Application No. CS4-SWC06419@1

Dear Mr. Edwards:

The purpose of this letter is to acknowledge the Department of Ecology’s acceptance of your donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned the control number CS4-SWC06419@1. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 330 acre-feet per year by fallowing 100 acres within the 120 acre place of use. The purpose of the donation is to benefit instream flow in the Columbia River. The term of the trust water donation is April 1, 2015 to October 31, 2017.

This trust water donation expires on December 31, 2017.

The parent water right, SWC06419, authorizes the diversion of 2.41 cfs for the irrigation of 120 acres during the irrigation season and for continuous domestic use. The recorded place of use is located within the 51/2S1/2 of Section 10 and the N1/2N1/2 of Section 15, all in T. 30 N., R. 28 E.W.M., Douglas County.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology’s acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or the quantity of the right. When the period of trust ends, the donated water right will revert back to the water right holder or landowner. To the extent that the donated water right represents a valid water right, the water right holder or landowner may resume exercising the right in a manner consistent with the original purpose(s).

If you would like to extend the donation, please send us a written request prior to expiration of this temporary donation. If you wish to modify any terms of your donation, your letter must include the new terms.
If you have questions or concerns, please call the Office of Columbia Rivers Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at patricia.kirk@ecy.wa.gov.
