Dear Mr. Addink:

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your request to extend the term of your current donation by two years. This trust water right is identified by control number **CG3-20164C@2**. Please refer to this number when corresponding with us about this trust water right.

**This trust water right will expire on December 31, 2012.**

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 392 gallons per minute and 135 acre-feet per year. The purpose of the donation is for groundwater preservation in continuity with the Columbia River commencing at about River Mile 520 and continuing to the Pacific Ocean. The term of this donation is from April 1, 2010 to December 31, 2012.

The parent water right, G3-20164C, authorizes the withdrawal of 542 gallons per minute, up to 187 acre-feet per year for the irrigation of 54.2 acres during the irrigation season. The recorded place of use is located within SESW1/4 of Section 18, T. 29 N., R. 24 E.W.M.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

**Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right.** When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your

donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.

If you have questions or concerns, please call Gary Steele at (509) 249-6299.
