RE: Trust Water Donation No. CG3-22761C

To whom it may concern:

The purpose of this letter is to acknowledge your request to extend the donation of temporary trust water right No. CG3-22761C to the Washington State Trust Water Right Program.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 189 gallons per minute and 128 acre-feet per year. The purpose of the donation is to benefit instream flow in Mill Creek, a tributary to the Little Klickitat River, from March 15, through October 15 each year

This trust water right expires on December 31, 2012.

Ground Water Certificate No. G3-22761C is additive to Ground Water Certificate No. G3-22760C in annual and instantaneous quantities, but not in acreage (120 total acres for both Certificates).

This trust water right is made possible by the following of approximately 70 acres under both Certificates, at the recorded place of use, located within:

NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 5, T. 4 N., R. 15 E.W.M.

N $\frac{1}{2}$ NE $\frac{1}{4}$ and NW $\frac{1}{4}$ of Section 6, T. 4 N., R. 15 E.W.M.

E $\frac{3}{4}$ SE $\frac{1}{4}$ NE $\frac{1}{4}$ and E $\frac{3}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 6, T. 4 N., R. 15 E.W.M.

Except portion along south side thereof embraced in tract described in Vol. 44 of deeds, page 271, under Auditor's file No. 6193, records of said County, and except right of way for Bonneville-Coulee transmission line.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the Trust Water Right Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the Trust Water Right Program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.
