Dear Mr. & Mrs. Gagliardi:

The purpose of this letter is to acknowledge Ecology's acceptance of your donation to the Washington State Trust Water Rights Program. The trust water right has been assigned the control number **CG3-20164C@1**. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 20.7 acre-feet per year and a maximum rate of 60 gallons- per-minute. The purpose of the donation is to benefit instream flow commencing in the Columbia River at approximately River Mile 520 and terminating at the Pacific Ocean. The annual season-of-use is from April 1 to October 1.

This trust water right expires on October 1, 2030.

The parent water right, G3-20164C, authorized the withdrawal of up to 187 acre-feet per year for the irrigation of 54.2 acres during the irrigation season at a maximum pumping rate of 542 gallons- per-minute. The recorded place of use is located within the SE1/4SW1/4 of Section 18 and the NE1/4NW1/4 of Section 19, T. 29 N., R. 24 E.W.M.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.

If you have questions or concerns, please call Gary Steele at (509) 249-6299.

Mr. and Mrs. Gagliardi
