Dear Mr. and Mrs. Teel:

Re: Acceptance for Temporary Donation of Surface Water Certificate S3-23652(A)

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned the control number CS3-23652(A)@1. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 0.55cfs and 36 acre-feet per year, and for 30.2 acres. The purpose of the donation is to benefit the in stream flow in Lincoln County, Washington from June 1, 2012 to February 16, 2013.

This trust water right expires on February 16, 2013.

The parent water right, Surface Water Certificate S3-23652 (A), authorized the withdrawal of 0.55 cfs, for the irrigation of 30.2 acres during the irrigation season. The recorded place of use is located in the NW¼ of Sec. 15, Township 27N, Range 37 EWM, in Lincoln County, Washington.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of your donation, you elect to extend the term of this temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request of any new or modified terms and conditions and you will be notified if the donation can be extended.

If you have questions or concerns, please call Ying Fu at (509) 324-3451.
