

Planning to buy a new car?

Washington has a new clean car law:

Starting with 2009 models, most new cars (including light duty trucks, SUVs, and vans) sold in Washington must meet strict clean air standards. New cars, whether purchased in Washington or out of state, must meet Washington standards to be licensed here.

For more information:

- Ask your car dealer which models meet Washington requirements.
- Go to: www.ecy.wa.gov/cleancars
- OR -
- Call 1-800-272-3780
or 1-800-453-4951
