 How to Use This Manual viii
 Abbreviations and Acronyms ix

General

Chapter G1
 General Engineering
 Requirements

Chapter G2
 General Considerations

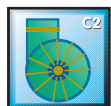

Chapter G3
 Special Considerations for Small
 Community Systems

Collection

Chapter C1
 Sewers

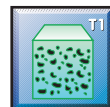

Chapter C2
 Sewage Pump Stations

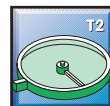

Chapter C3
 Combined Sewer Overflows

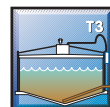

Treatment

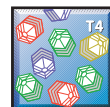

Chapter T1
 Preliminary Treatment/ Septage
 and Other Liquid Hauled Wastes

Chapter T2
 Primary Treatment

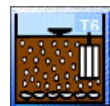

Chapter T3
 Biological Treatment

Chapter T4
 Chemical/Physical Treatment

Chapter T5
 Disinfection

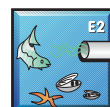

Chapter T6
 Membrane Bioreactor Treatment
 Systems

Effluent

Chapter E1
 Water Reclamation and Reuse

Chapter E2
 Effluent Disposal to Surface
 Water

Chapter E3
 Effluent Disposal to Ground
 Water

Solids

Chapter S
 Residual Solids Management
