Description of types of MRW to be handled:

How will records be kept for quantities of materials and number of households or CESQGs served (attach form if available):

MRW Mobile Systems or collection events identified in WAC 173-350-360(2) shall be managed according to the following terms and conditions to maintain their exempt status:

WAC 173-350-360(2) *Mobile systems and collection events*. In accordance with RCW [70.95.305](#), the operation of mobile systems and collection events are subject solely to the requirements of (a) through (n) of this subsection and are exempt from solid waste handling permitting. An owner or operator that does not comply with the terms and conditions of this subsection is required to obtain a permit from the jurisdictional health department and shall comply with the applicable requirements for a moderate risk waste handling facility. In addition, violations of the terms and conditions of this subsection may be subject to the penalty provisions of RCW [70.95.315](#). Owners and operators of mobile systems and collection events shall:

(a) Notify the department and the jurisdictional health department of the intent to operate a mobile system or collection event at least thirty days prior to commencing operations. The notification shall include a description of the types and quantities of MRW to be handled;

(b) Manage mobile systems or collection events in compliance with the performance standards of WAC [173-350-040](#);

[WAC 13-350-040:

- (a) Design, construct, operate, and close all facilities in a manner that does not pose a threat to human health or the environment;
- (b) Comply with chapter 90.48 RCW, Water pollution control and implementing regulations, including chapter 173-200 WAC, Water quality standards for ground waters of the state of Washington;
- (c) Conform to the approved local comprehensive solid waste management plan prepared in accordance with chapter 70.95 RCW, Solid waste management -- Reduction and recycling, and/or the local hazardous waste management plan prepared in accordance with chapter 70.105 RCW, Hazardous waste management;
- (d) Not cause any violation of emission standards or ambient air quality standards at the property boundary of any facility and comply with chapter 70.94 RCW, Washington Clean Air Act; and
- (e) Comply with all other applicable local, state, and federal laws and regulations.]

(c) Record the weights or gallons of each type of MRW collected, number of households and conditionally exempt small quantity generators served, and type of final disposition (e.g., reuse, recycled, treatment, energy recovery, or disposal). Records shall be maintained for a period of five years and will be made available to the department or jurisdictional health department on request;

(d) Ensure that the MRW at a mobile system or collection event is handled in a manner that:

- (i) Prevents a spill or release of hazardous substances to the environment;
- (ii) Prevents exposure of the public to hazardous substances; and
- (iii) Results in delivery to a facility that meets the performance standards of WAC [173-350-040](#);

(e) Ensure that incompatible wastes are not allowed to come into contact with each other;

(f) Ensure that containers holding MRW remain closed except when adding or removing waste in order to prevent a release of MRW through evaporation or spillage if overturned;

(g) Ensure that containers holding MRW have legible labels and markings that identify the waste type;

(h) Ensure that containers holding MRW are maintained in good condition (e.g., no severe rusting or apparent structural defects);

(i) Ensure that personnel are familiar with the chemical nature of the materials and the appropriate mitigating action necessary in the event of fire, leak or spill;

(j) Control public access and prevent unauthorized entry;

(k) Prepare and submit a copy of an annual report to the department and the jurisdictional health department by April 1st on forms supplied by the department. The annual report shall detail the collection activities during the previous calendar year and shall include the following information:

- (i) Name of owner or operator, and locations of all collection sites;
- (ii) Calendar year covered by the report;
- (iii) Annual quantity and type of MRW, in pounds or gallons by waste type;
- (iv) Number of households and CESQGs served;
- (v) Type of final disposition (e.g., reuse, recycled, treatment, energy recovery, or disposal); and
- (vi) Any additional information required by written notification of the department;
- (l) Allow inspections by the department or the jurisdictional health department at reasonable times;

(m) Notify the department and the jurisdictional health department of any failure to comply with the terms and conditions of this subsection within twenty-four hours; and

(n) Mobile collection systems using truck or trailers with concealed construction, permanently attached to a chassis may require a commercial coach insignia if subject to chapter [296-150C](#) WAC, administered by the department of labor and industries.
